EDITOR'S NOTE

Welcome to this edition of our school newsletter! We're excited to share a wealth of highlights from recent events and achievements that truly showcase the incredible talent and spirit of our students and teachers. From inspiring performances to outstanding athletic accomplishments, our school has been buzzing with energy and enthusiasm.

Together, let's make this school year unforgettable and full of cherished memories!

**Your Editors,
S.O.Maghimma & A.K.Jiya Rithvi**

MIDDLE SCHOOL ORIENTATION

The school bells chimed together, marking the close of the holiday season and the start of the new academic year.

The school was thrilled to welcome our grade 6 students with a thorough Orientation Programme, aimed at facilitating a smooth transition from primary to middle school.

The interaction between students and teachers was warm and encouraging, making the morning session productive and helping students begin the new academic year with confidence..

YOGA DAY

Yoga Day at school was really calming and wonderful! The students went outdoors to the large field, where the teachers and students demonstrated various yoga poses such as the tree pose, cobra, and downward dog. Stretching and moving their bodies felt great. It made them feel more relaxed and peaceful. Yoga Day taught them the importance of taking care of both their bodies and their minds.

INVESTITURE CEREMONY

The investiture ceremony, held in the ground gallery area, on 28 June, was a significant event that marked the official appointment of the Head Girl and Head Boy from the IBDP program. Alongside them, the House Masters (coordinators) and student leaders, including House Captains and Vice Captains from the four houses—Zeus, Poseidon, Hades, and Apollo—were recognized for their leadership roles. The ceremony highlighted their commitment to upholding the values of integrity, responsibility, and excellence. As these young leaders pledged to guide and inspire their peers, the event symbolized the beginning of their journey in shaping the school's future.

NEW PARENT ORIENTATION

The New Parent Orientation at our school is a pivotal event designed to welcome and familiarize parents with the school's values, policies, and community. During the orientation, parents receive essential information about the school's curriculum, extracurricular activities, and support services. Additionally, there is a focus on building a strong partnership between parents and the school, emphasizing the importance of open communication and collaboration to support the students' growth and success.

GRADE 6 FIELD TRIP

The visit to the Insect museum was a fascinating and enriching experience. The museum houses an impressive collection of preserved insects from around the world. From tiny beetles to colorful butterflies, each specimen was meticulously displayed with informative labels detailing their habitat and unique characteristics. Visiting the Insect Museum was not only visually stimulating but also educational.

GRADE 7 FIELD TRIP

Grade 7's field trip to the Gass Forest Museum, on was an educational and enriching experience. The museum, located in Coimbatore, offered students a unique glimpse into the natural world with its extensive collection of exhibits on forestry, wildlife, and environmental conservation. As they explored the various displays, the students learned about the diverse flora and fauna of India, the history of forestry, and the importance of sustainable practices. The trip provided an excellent opportunity for hands-on learning, with the students engaged in observing preserved specimens, studying intricate wood carvings, and understanding the role of forests in ecological balance.

LADAKH

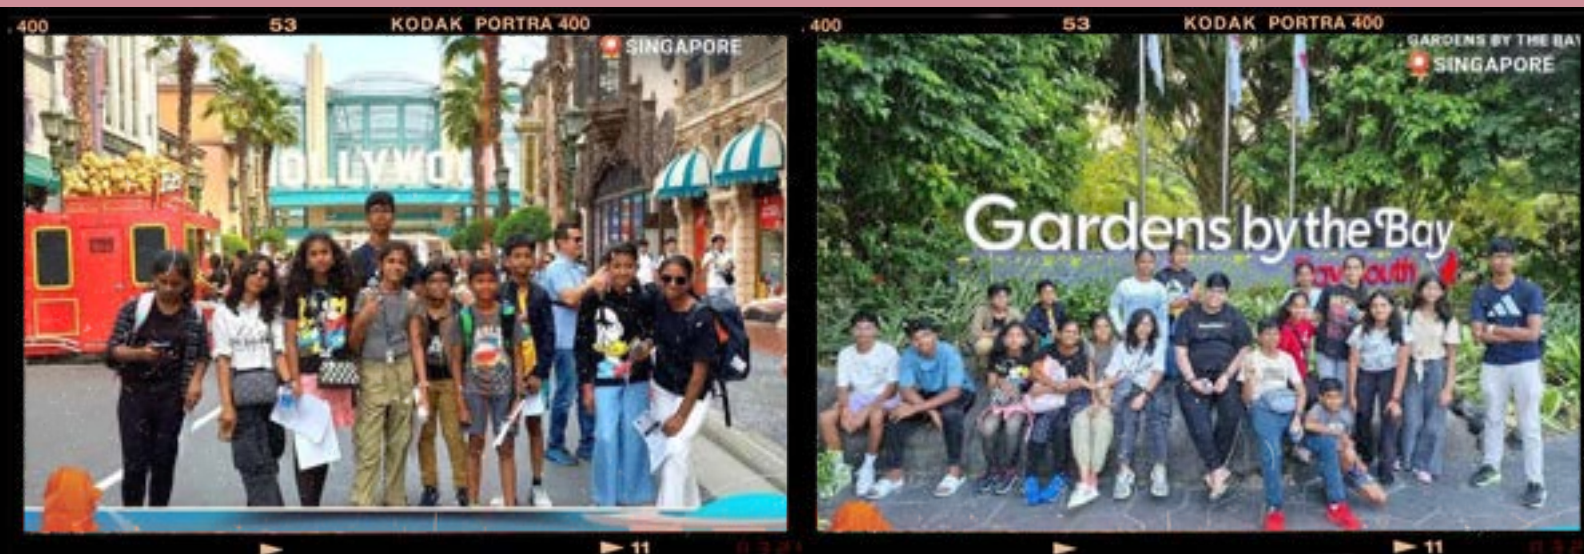

The seven-day trip to Ladakh, from 17th to 23th July was a captivating blend of culture and adventure. Students began by acclimatizing in Leh, visiting the Shanti Stupa, and learning about Ladakh's rich history. They explored Leh Market, the Central Asian Museum, and the ancient Leh City Palace. A visit to the SECMOL NGO and rafting on the Zaskar River provided unique experiences. The journey continued through Nubra Valley via KhardungLa, the highest motorable road, with camel rides in the Hunder sand dunes and a visit to Diskit Monastery. The trip ended with a scenic drive to Pangong Lake and visits to Hemis and Thiksey Monasteries, leaving students with lasting memories of Ladakh's beauty and culture.

The four-day trip to Singapore, from 25th to 29th July was a blend of adventure and learning. Students began with a scenic cable car ride and the captivating Wings of Time show. They explored Madame Tussauds and experienced an 8K 3D movie at the Omni Theater. The visit to Snow City and the Singapore Night Safari offered unique experiences with exhibitions and wildlife observation. A day at Universal Studios and the Gardens by the Bay Light Show added excitement and wonder. The trip concluded with visits to the Singapore City Gallery and cultural hubs like Chinatown and Kampong Gelam, leaving students with lasting memories of Singapore's rich culture and innovation.

GRADE 6 & 7 COLS CAMP

The grade 6 & 7 group traveled to the Cols Camp, which was situated on a mountainside in Pollachi, and it was a fantastic exhilarating location. Those who went on this expedition conquered their fears of height and had an unforgettable adventure. Numerous activities were available, including hiking, zip line, four different kinds of high ropes courses, and four low ropes courses.

FORMATIVE ASSESSMENT & PTM 1

The Grade 6 and 7 parent-teacher meetings provide an excellent opportunity for parents to discuss their children's academic progress with the teachers. Teachers regularly give updates on areas such as Math, English, and Sciences, emphasizing where students are performing well and where they may need additional assistance. Parents can express questions, discuss concerns, and collaborate with the teacher to develop strategies to support their child's learning at home. These sessions enable parents and teachers to collaborate so that students can perform to the best of their ability, especially since Grades 6 and 7 are significant stages in school.

INDEPENDENCE DAY

India's Independence Day is celebrated every year on August 15th with great enthusiasm, patriotism, and a deep sense of pride. It marks the day when India gained freedom from British rule in 1947. The day begins with a prayer song to invoke blessings, followed by the flag hoisting ceremony, where the national flag is proudly raised, and the national anthem which is been sung by everyone. After that, we listened to inspirational speeches that reminded us of the sacrifices made by freedom fighters. The program also included a variety of cultural performances like dances, skits, and patriotic songs that showcased India's rich heritage. The entire day was filled with a sense of unity and pride in our country's history and freedom.

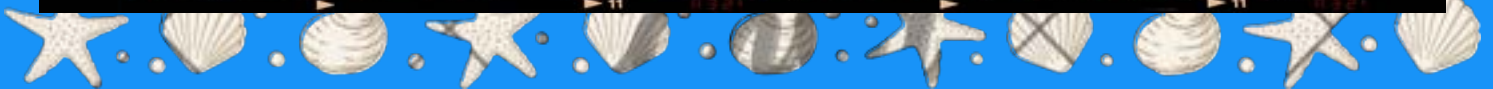

Andaman Trip

The school took the Grade 6, 7, and 8 students on a six-day trip to the Andaman Islands, and it was an incredible experience. Upon arrival, the weather was sunny and pleasant. The students visited several notable places, including the Cellular Jail, where they learned about India's freedom fighters. They also had the opportunity to snorkel and scuba dive, encountering vibrant fish and coral reefs. Additionally, they enjoyed activities like jet skiing and participating in an intertidal walk. One day was spent on a boat ride, exploring different islands. The trip was filled with exciting experiences such as trekking, visiting museums, and even a DJ night on the beach. The students made lasting memories and gained valuable knowledge about the history and natural beauty of the Andaman & Nicobar Islands.

Expert Talk -

Ethical Use Of Social Media

An online session for Grade 6 & 7 students was conducted by the speaker about ethical use of social media. He talked about how social media works and the different platforms we use every day. The session was simple but informative, focusing on how to stay safe online and use social media wisely. He also shared some basic tips, like not sharing too much personal information and being aware of how we interact with others online. It was a straightforward session that helped us understand the importance of being careful and thoughtful when using social media.

Cyber Bullying

The Grade 6 & 7 had a cyberbullying session where they taught us how cyberbullying has affected people's lives. The speakers were from the GRD College of Science and Technology. The session was very interactive and fun. They gave us a lot of information on how to use social media wisely and how to be safe online. They also gave us a list of do's and don'ts, like not sharing personal information with strangers and always being kind online. We learned that even small comments can hurt others, and it's important to think before we post. They also shared surprising facts, like how cyberbullying can happen even when people think they are just joking. It was really eye-opening, and we learned a lot about being responsible online.

NATIONAL SPACE DAY

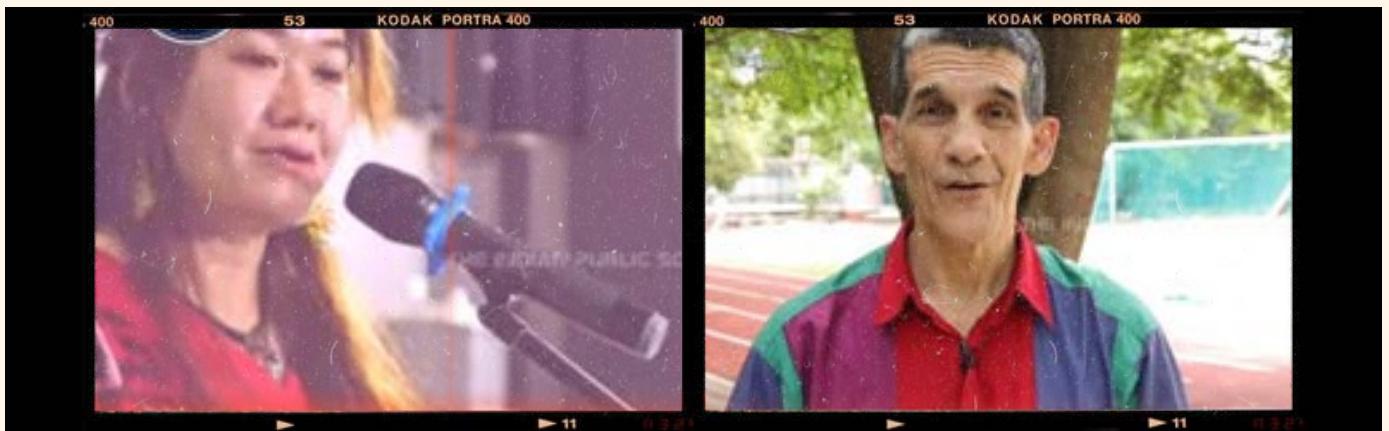

National Space Day in India is a very exciting day because we get to find out about space and India's achievements in space research. It is celebrated every year on August 23. On this day, we speak about ISRO (Indian Space Research Organization) and the remarkable things they've accomplished, such as sending missions to the Moon (Chandrayaan missions) and Mars. At school, multiple activities were conducted in celebration of this special day. One of those activities was to write short essay about Chandrayaan 3's accomplishment and how ISRO overcame the failure of Chandrayaan 2. It's great to witness India emerge as a space leader, and it makes us proud of our country!

International Story Telling Festival

Students from Pre-KG to Grade 12 were captivated by the Storytelling Festival, where renowned storytellers from all over the world brought exciting tales to life. The festival fostered creativity, imagination, and a love for literature among the students, leaving them inspired and engaged. It was a day filled with magic, learning, and the timeless joy of storytelling.

TRACK FEST

Track Fest Day at school was definitely one of the best days ever! The entire campus was buzzing with enthusiasm from the moment we arrived. We all wore our sports attire, and you could tell everyone was excited to compete and have fun. The events were quite difficult, but it was exciting to push ourselves and see what we could do. The 100-meter sprint was perhaps the most intense, with everyone running as quickly as they could to the finish line. The relay races, which were all about teamwork and passing the baton correctly. The teachers and parents who came to watch were extremely supportive, making the entire day feel even more special. When they announced the winners and gave out medals, it didn't matter if you received one or not—it was just great to be a part of something so exciting and energetic. Track Fest Day showed how sports can be enjoyable and bring everyone together.

START

TEACHER'S DAY

Every year on September 5, India celebrates Teacher's Day in memory of the famous teacher Dr. Sarvepalli Radhakrishnan. We thank our teachers on this day for being our mentors and sources of inspiration. This year, all of the teachers received appreciation trophies from our chairman, Mr. Ashok Kumar. Student dances, singing, and many more performances delighted the occasion. Cards, flowers, and little gifts were given to teachers as tokens of gratitude for their hard work. We had a great day honoring the significance of teachers in our lives.

ACHIEVEMENTS

Mithul Krithik, who was placed fourth in the Open District-Level Chess Competition run by AVANE Chess Academy, is proudly celebrated by our school. In this difficult event, Mithul's dedication and strategic abilities were evident. We are immensely proud of him and want to see more of his success in competitions in the future. Mithul, keep up the fantastic work!
